

# BOOK 5 – PART 2: TAB CONTENT DESCRIPTIONS

## Tab 1

### Fire Code Edit Sub-Committee Proposals (For Reference)

---

- This document is a portion of the Statewide Fire Prevention Code proposal from the Fire Code Edit Sub-Committee that was submitted during the Proposed Phase. Tab 1 only includes the portion of the Fire Code Edit Sub-Committee proposal (Chapter 1 through Chapter 10, section 1003.7) that was reviewed by the Fire Code Edit Workgroup.
- **Fire Code Edit Sub-Committee:** BHCD sub-committee formed to review the Statewide Fire Prevention Code (SFPC) and develop a proposal that would remove the unenforceable provisions from the SFPC.

## Tab 2

### FSB Code Committee Proposals (For Reference)

---

- This document is a portion of the Statewide Fire Prevention Code proposal that was developed by the FSB Code Committee as a comment to the Proposed Phase proposal from the Fire Code Edit Sub-Committee (Tab 1). Tab 2 only includes the portion of the FSB Code Committee proposal (Chapter 1 through Chapter 10, section 1003.7) that was reviewed by the Fire Code Edit Workgroup.
- **FSB Code Committee:** FSB committee that developed an alternative SFPC proposal (Chapters 1 through 10)

## Tab 3

### Summary Document of SFPC Sections Recommended by the Workgroup as Consensus for Approval

---

- The Fire Code Edit Workgroup compared both proposals (starting with Chapter 1 at the first workgroup meeting and ending at Chapter 10, section 1003.7 at the last workgroup meeting). Tab 3 contains all of the code sections that were reviewed and recommended as consensus for approval by the Fire Code Edit Workgroup.
- **Fire Code Edit Workgroup:** Workgroup consisting of representatives from all stakeholder groups that reviewed the proposals from both committees.

## Tab 4

### Summary Document of SFPC Sections Recommended by the Workgroup as Non-consensus

---

- The Fire Code Edit Workgroup compared both proposals (starting with Chapter 1 at the first workgroup meeting and ending at Chapter 10, section 1003.7 at the last workgroup meeting). Tab 4 contains all of the code sections that were reviewed and recommended as non-consensus by the Fire Code Edit Workgroup. The Fire Code Edit Committee proposed section is on the left and the FSB Code Committee proposed section is on the right (side-by-side comparison).

## Tab 5

### SFPC Sections 1004 through 1032 (Not Reviewed By The Workgroup)

---

- Part 1: The first part of Tab 5 contains the the remaining portion of Chapter 10 of the Fire Code Edit Sub-Committee proposal that was submitted but not reviewed by the Fire Code Edit Workgroup.
- Part 2: The second part of Tab 5 contains the the remaining portion of Chapter 10 of the FSB Code Committee proposal that was submitted but not reviewed by the Fire Code Edit Workgroup.

## Tab 6

### Fire Code Edit Committee Chapters 11 through 67 (Not Reviewed By The Workgroup)

---

- Tab 6 is the remainder of the proposal from the Fire Code Edit Sub-Committee that was submitted during the Proposed Phase. The workgroup did not review Chapters 11 through 67 of the Fire Code Edit Sub-Committee proposal. The FSB Code Committee proposal only included Chapters 1 through 10 so there is only one proposal to consider for the remaining Chapters.
